

## 50. 格謝仁波且

宗喀巴大師母寺的格謝仁波且行文說,第三世多杰羌佛的《解脫大手印》是千古佛法的真理,是救度眾生無始以來的因緣福報!

#### **50. VEN. GEXIE RINPOCHE**

Gexie Rinpoche, who resides at the original temple of Master Tsongkhapa, issued a document stating that *The Supreme and Unsurpassable Mahamudra of Liberation* written by H.H. Dorje Chang Buddha III is the eternally true Buddha-dharma that saves living beings. In that document, he also stated that such Buddha-dharma is a blessing for living beings resulting from karmic causes planted by living beings since beginning-less time!

### CONGRATULATIONS

The Supreme and Unsurpassable Mahamudra of Liberation written by H.H. Dorje Chang Buddha III expresses the eternal truth of the Buddha-dharma. H.H. Dorje Chang Buddha III, the magnificent ancient Buddha, saves living beings through The Supreme and Unsurpassable Mahamudra of Liberation. This truly is the karmic reward of living beings resulting from causes planted since beginning-less time. We Buddhists are extremely grateful to all of the Buddhas and Bodhisattvas for this blessing. I put my palms together with utmost reverence and offer the following verses of praise:

H.H. Dorje Chang Buddha III

Has returned to live in this world

The karmic conditions of living beings have matured

Accomplishment and liberation are possible
