49. VEN. TANGRANG JIAWA RINPOCHE

The 11th Tangrang Jiawa Rinpoche of the Skuvbum Monastery received monastic precepts from Lamo Yongzeng Rinpoche. He received those precepts together with Ajia Rinpoche, who is the reincarnation of the father of Master Tsongkhapa. Tangrang Jiawa Rinpoche issued a document stating that after his entire monastery read the book *H.H. Dorje Chang Buddha III*, they were astounded by the book, and that treasure book truly represents the authentic, correct dharma of Buddhism. In that document, he beseeched the ancient Buddha H.H. Dorje Chang Buddha III to stay in this world forever!

CONGRATULATIONS

I prostrate to the greatest refuge of the dharma realm, the Buddha Vajradhara:

We were fortunate to have respectfully read the treasure book H.H. Dorje Chang Buddha III. Our entire monastery was deeply moved and astounded. Such accomplishments in thirty large categories are unique in the history of Buddhism. That treasure book truly represents the authentic dharma of Buddhism. The fact that this ancient Buddha is living in this world is a blessing for all living beings. I beseech the ancient Buddha, H.H. Dorje Chang Buddha III, to stay in this world forever and perpetually teach the dharma.
