CONGRATULATIONS**

I prostrate to H.H. Dorje Chang Buddha III, the greatest refuge in the dharma realm:

I was fortunate to have respectfully read the treasure book H.H. Dorje Chang Buddha III, which enabled me to see true Buddha-dharma through manifestation of the Five Vidyas. This is the true dharma that benefits all living beings. The accomplishments of H.H. Dorje Chang Buddha III in thirty large categories alone shine with the wisdom of a Buddha, bless us living beings, and lead us toward liberation! I beseech the ancient Buddha, Dorje Chang Buddha, to stay in this world forever and eternally teach the dharma.
